

Education and Emerging Technology Committee  
**1/25/2005 Notes**

Meeting was held at the Judicial Building, room 165. Members present were Laura Roeder-Grubb, Steve Nicoll, Evelyn Halterman, Clarence Key, Jr., Kay Anderson, and Mary Hadd.

I. Bret Voorhees, ISO staff, presented the group with an update on the Cyber Security Awareness training. There will be a pilot training, tentatively set for March 3<sup>rd</sup> in the Judicial Building auditorium. Other training dates are set for March 12-13-14, and March 22-23-24.

This training may be available to those that wish to host this training for their agency. A minimum of 15 people will be required.

Registration for this training will be through your department training liaison.

II. Microsoft representatives are planning to be at the February meeting. They are to present timelines for future products and go over and the current Microsoft EA agreement, and address other questions that people may have.

III. Members present asked to seek response from the CIO for further direction for this committee. It was emphasized that it might be beneficial to see how EIP "shakes out" before meeting further (after February meeting).

February meeting has not been scheduled yet.
